Township Reorganizes with Austerity, Borough with Window-Dressing on New Year's Day

Not all Borough Republicans were slaughtered on New Year's Day and in the Township, Republican Elizabeth Hutter praised Democrat Jay Bleiman for "gracefully" accepting the post of vice-chairman of Committee and pledged her support.

Because Committee now has two Republicans and two Democrats, a chairman -- or "mayor" -- can't be named until the fifth seat is filled and the deadlock broken. Republicans are filing an appeal of Superior Court Judge George Y. Schoch's ruling that Committee may fill the seat with a temporary appointment of a Democrat. The seat is vacant because a defective voting machine left the election in doubt.

For the first time in several years, both Borough and Township held reorganization rites at noon New Year's Day, which meant that nobody could attend both. In recent years, the Township has met at 11 and the Borough at noon. The return to a simultaneous hour, many observers said, made a distressing and unwelcome cleavage between the Princetons.

Brevity and a certain austerity marked Township ceremonies, which were over in half an hour. Mr. Bleiman, in view of the political uncertainties, eschewed his customary address.

But in the Borough, they rang in all the changes. Or, at least, they bonged the bell. In honor of the Bicentennial, the bell of the U.S.S. Princeton, which hangs permanently outside Borough Hall, was struck 200 times. Governor Brendan T. Byrne and his family, Council members and high school students all contributed to the stroking and Council member Martin P. Lombardo, whose idea it was to ring the bell, reserved the final stroke for his own hand.

Then, inside, the standing-roomonly audience sang "The Star-Spangled Banner" and even "Happy Birthday, America." The leader of the Girl Scout color guard suggested the latter, and although the audience was slightly surprised, everybody sang gamely along with the Scouts.

Mr. Lombardo was elected president of Council, succeeding Joseph P. Moore. The president serves as acting mayor when the mayor himself is absent.

Both Mr. Lombardo and Mr. Moore are in the final year of their second terms as Council members. It is reported that Mr. Moore won't seek a third term, and that Princeton High School guidance counsellor Marvin Trotman will run for the seat. Both Mr. Moore and Mr. Trotman are black. Mr. Lombardo hasn't said whether he will run again.

Barbara Sigmund, re-elected to Council in November, formally resigned her seat, and will now devote full time to her new position as an appointed Mercer County Freeholder. Jan Schneier was nominated and unanimously elected to fill Mrs. Sigmund's position until the next general election.

The Republican blood-letting expected by many observers -- including the Republicans -- didn't take place. This Council is not only all Democratic; five of its six members believe strongly in party loyalty and have been outspoken in their belief that Democrats should be named to volunteer boards, not solely because they belong to the party but because their philosophies could be expected to be more in tune with those of the all-Democratic governing body.

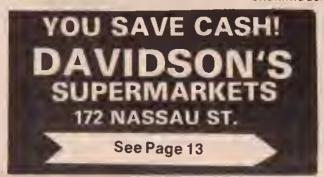

These were the five who opposed Mrs. Sigmund in recent intra-party skirmishes. The sixth Council member, Murray Medvin, an alty of Mrs. Sigmund, doesn't always see along the same lines as his colleagues.

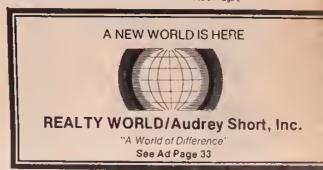

In any case, Republican fears proved largely unlounded and several key Republicans were returned to their volunteer posts.

Republican Margaret Penick, deteated in the 1973 Council race and promptly named to the Planning Board in one of the most controversial appointments of 1974, was re-appointed by the Democrats, in acknowledgement of her environmental expertise. She will serve a five-year term.

Thomas J. Cawley, former Republican Councilman, was reappointed to a five-year term on the

HOME IS DAMAGED By Early Morning Fire, The Great Road home of William Sayen 3d was damaged by fire believed to have started in a furnace room early Monday morning. No one was injured.

The cause of the fire is still under investigation, according to Chief William Karch, who said that the area of the origin "was pretty well burned." Township police were notified at 6:53 by the Montgomery Fire Department and a general alarm was sounded. Mr. Sayen's home, "Springvale," is just beyond Ridgeview Road near the Princeton-Montgomery border.

Chief Karch said that the fire in the furnace room burned a hole through the floor to a den above. The home also suffered extensive smoke and water damage.

When Mrs. discovered the fire, she asked the telephone operator to notify the Blawenburg Fire Company. When the Montgomery Township-based firemen arrived and saw that developer to use the Township, they notified townhouses' forecourts for Township police. Both comoccasional parking.

Chief Karch said that there was sufficient water aboard trucks at the scene to quell the fire. Had it been bigger, (the house is located far back from the road) he said that firemen were prepared to work directly from a hydrant or to pump water from a pond on

Firemen were able to bring the blaze under control in about an hour and were at the scene an hour and a half. The mass of equipment temporarily forced the closing of the Great Road to traffic.

Mr. and Mrs. Sayen were the only ones at home at the

LET THE SUNSHINE IN Meetings to Be Open. It's never been that dark around Borough and Township Halls, so the state's new "sunshine" law that goes into effect January 19 probably won't matter much.

For \$12 a year, anybody in town can subscribe to the 1976 meeting schedule, including revisions and advance notice, of either Borough or Township governing bodies - \$24 if you want both. If you want to save the \$12, you can examine these notices on municipal hall bulletin boards.

In the Township, where regular meetings are held the first and third Mondays, the second Monday's work session will now be open to the public. On the first and third Mondays, the work session that starts at 7:30, half an hour before the regular meeting, will also be open.

Police said Carolyn P. Yoder, 133 Meadowbrook Drive, who had walked around in front of the bus and was struck by a car driven by John W. Trantum, 42, 53 Dorann Avenue.

Ms. Yoder was treated at Princeton Medical Center for head lacerations. The accident scene was clear when Ptl. Peter Savalli arrived and he had to reconstruct what had happened from statements from witnesses.

Cyclist Thrown on Hood. A 14-year old bicyclist received a concussion and sprained ankle early last week when he was struck by a car at the intersection of Spruce and Maple Streets.

The victim, Clair Henninger, 22 Clearview Avenue, was thrown from his bike by the impact and landed on the hood of a car driven by Lisa Brown, 197 Valley Road. He slid to the ground when the car managed to stop some 45 feet

There were no charges by Ptl. John Holcombe who noted in his report that the youth had apparently entered the in-tersection with lack of due caution.

The impact from the 7:30 a.m. accident pushed the car forward 24 feet. It was parked by Cynthia A. DeLong of 4455 Province Line Road.

Mrs. Classen was treated for facial cuts. Her car had to be towed away.

A University student living on Dickinson Street told police Saturday that a television set, radio, portable typewriter and small stereo system had been stolen from his room while he was away during the Christmas vacation.

While the occupants were away between 9 a.m. and 2 p.m. Friday, someone entered and ransacked their Princeton Seminary apartment on Stockton Street and removed a color television set, stereo system and two credit cards.

The stolen TV set was recovered Tuesday morning from a Clay Street home by Sgt. Ralph Procaccino and Det. Timothy Huizing executing a search warrant. Police have charged two men with this entry and about 25 more, (See page 3.)

\$1,000 in Jewelry Taken Between 6:30 New Year's Eve and 1:21 a.m., the same two suspects allegedly forced a rear cellar door to enter and ransack a north Tulane Street home. Taken were \$700 in assorted jewelry, a \$300 diamond ring and two checks for \$225 and \$200.

About the same time, the police charge that the same two broke a rear window to enter another home on N. Tulane, but when they discovered it vacant, police said, they left by the front door.

Earlier in the week, Ptl. Bernard Lenhardt while making a routine check of unoccupied homes, found a window open in an Elm Road home. In checking later with the owners, police determined that nothing had been stolen.

SCHLUTER TO RUN For Congress. William Schluter, Pennington resident and former State Senator,

announced this week that he wants to be the Republican candidate for the 13th Congressional District seat. This district, now represented by Democrat Helen Meyner, includes parts of Meyner, and Meyn includes parts of Mercer and Morris counties and all of Sussex, Warren and Hunterdon.

Topics of the Town

He plans to focus on reduced government spending, "not adding to the Federal bureaucracy," he said in a campaign announcement Tuesday. "Great care must be exercised," he said, to keep an upward trend in the economy, while keeping in economy while keeping in-flation under control. He also cited self-sufficiency in energy, linked to the "fight for

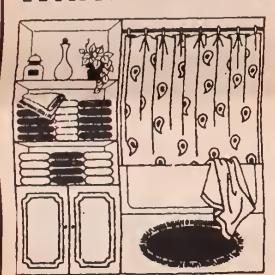

environmental protection."

A graduate of Princeton
University in 1950, Mr. Schluter has been Pennington Borough Councilman, State Assemblyman (two terms) and State Senator (one term). In 1972, New Jersey Freeholders named him "Legislator of the Year" and in '72-'73, he was ranked Number One on environmental issues by the New Jersey Environmental Voters Alliance. He was author of the state's campaign financing disclosure law.

NO 15 PERCENT?

State Won't Commit. "I don't feel we really got through to him," said Borough Mayor Robert W. Cawley this week, commenting on refusal by David Bardin, Com-missioner of Environmental Protection, to commit the state to paying 15 percent of the Stony Brook Regional Sewerage Authority costs.

A large delegation from all six Authority towns talked with Mr. Bardin in late December. According to the mayor, the group hadn't known before that a state capital-needs task force recommended an average of only eight percent for state

grants. "Commitments!" the mayor exclaimed, "the carrot held by the state to overcome the reluctance of people in Authority towns, was that the state would pay that 15 percent. We concede that it's not a legally binding, com-mitment, but it was a morally binding one."

Mr. Bardin said a bill now before Congress might help, but Mayor Cawley observed that the bill "seems directly opposed to the President's thinking on fiscal matters. Unless there is massive support in Congress for it, I

haven't any hope."

The mayor said the Authority plans to give Mr.
Bardin more data showing sewer and water costs for individual taxpayers, if the 15

percent is refused.
''I don't think Bardin realizes Authority com-munities aren't irresponsible: we tried long ago to solve potential and current sewer problems. We've been a 'good citizen' on things like the Mount Laurel zoning decision. For being responsible, we've been hindered and not helped."

The two hunters were later released in their own recognizance. The winter season for long bow hunters for deer of either sex runs from Jan. 3-10.

Chief Porter added that another Cherry Hill Road resident, Albert Salzman, had found two hunting arrows with razor-sharp tips on his property in October. One was embedded in an embankment near his drive some 100 feet from his home; the other in his front yard.

Branding the arrows "silent death," Chief Porter said "I can just imagine kids walking in the area and these things sailing through the air...just because of the recklessness of a few hunters who shoot anywhere" anywhere.'

The opening ceremony will be held Friday at 10 at St. Paul's Chapel in lower Manhattan with a reading of George Washington's prayer to the American people and the lighting of 200 candles, the last of which will, in turn, set the runner's torch ablaze. The run will culminate at approximately 2 p.m. Sunday, at the Washington Monument, where the runners will be received by the President's Advisor on Physical Fitness.

ally all audible frequencies with an almost uncanny lack of coloration. To help the Advents reach their full potential, we've combined them with the Nikko 6065 am/fm stereo receiver. This advanced receiver provides the 8 ohm Advents with 30 watts minimum RMS per channel from 20 to 20,000 Hz. with no more than 0.5% total harmonic distortion. The Philips GA427 belt-drive turntable equipped with an ADC 90Q induced magnetic cartridge complete this excellent home music system.

With distinguished components from Nikko, Microacoustics, Sansui, and Stanton, this \$842 system has capabilities

beyond those of many systems available at any price. The Nikko 8085 stereo receiver incorporates a direct-coupled OCL pure complementary power amplifier that delivers a room-filling 45 watts minimum RMS per channel into 8 ohms from 20 to 20,000 Hz. with no more than 0.3% total harmonic distortion. Here's a Super Bowl question for you...How many teams in history Bowl two straight years? ... The only teams to do it were Green Bay in 1967 and 68, and Miami in 1972 have ever won the Super '68, and Miami in 1973 and '74 ... No team has ever won it three straight years.

When was the last time that neither Ohlo State nor Michigan represented the Big Ten in the Rose Bowl? ... Answer is 1968, when Indiana went to the Rose Bowl ... Every year since then, it's been either Ohio State or Michigan as the visiting team.

+++
Here's a surprising fact ... In the entire history of the Super Bowl, up to this year, only one Heisman Trophy winner has ever scored a point in a Super Bowl game ... Do you know who's the only one? ... Answer is Mike Garrett, who won the Heisman at Southern Cal in 1965 and scored a touchdown for Kansas City in the 1970 Super Bowl ... Oddly enough, no other Heisman winner has yet to cross the goal line in a Super Bowl game.

Tiger Quintet, Nation's Best on Defense, Heads For New England Showdown after Beating Penn

Princeton player and assistant coach, was in Jadwin Gym Saturday to scout the Tigers and Pennsylvania, his opponents this weekend at Hanover, where he is now head coach. Having watched the Orange and Blook watched the Orange and Black demolish the defending champions, 63 to 39, he departed with the belief that his young team may manage to upset the Quakers Friday but that the Tigers "will be awfully tough to beat because they have put it all together."

Chuck Daly, the Penn coach who had his heart set on a seventh straight title for his team, an achievement that would match Dartmouth's string some three decades ago, naturally won't concede the title to Princeton. He has another shot at Pete Carril's quintet at the Palestra on January 27, but he does say

Partially because reserves played increasingly in the second half, and to some extent because the disciplined offense was replaced by occasional wild half-court passing the margin was in passing, the margin was increased by only two points in
the final 20 minutes. But the defense continued to smother Penn's best efforts, and the • losers' low total made Princeton the no. 1 team in the nation with a points allowed average of 56.8 of all the college teams playing in the U.S. Saturday, Penn's total of 39 was the lowest anywhere.

Another Era. So superlative was Princeton's oplay when Penn was trying to score that a tour through the record book takes the researcher all the way back to World War II-when a mixture of civilians and Naval trainees were representing Ivy colleges – to find a lower score recorded by the Quakers in this rivalry. It was in 1943 that they were held to 27 points by a Princeton quintet which scored 48.

A major contributor to the accomplishment was sophomore Frank Sowinski, who has shot into the Princeton scene with eye-catching capability. The 6-5 19-year old resident of East Hanover, N.J., was given the tough Cassignment of guarding Penn's Keven McDonald, who brought a 23-point average

Tigers, and thoroughly beaten Vermont Friday, with losers when it left. The contest was and winners paired the next another notch -- to 1-7-1 -- not quite as close as the final night.

Princeton's record slipped another notch -- to 1-7-1 -- Saturday but in the process of score would indicate, since the victors had a 14-point margin with 7:27 left, a six-point bulge with less than two to go and did not contest the losers last two baskets closely to keep from giving them three-point

plays.
Princeton, among the leaders nationally in points allowed per game, gave both its opponents a lesson in the art of controlled shooting and defensive skill. After 20 minutes of play, Alabama had managed just 20 points and Maryland 28 -- in 'Bama's case less then belt its normal case, less than half its normal output. The losers were a miserable 24 percent (7 for 29) from the floor in the first half, and no better than 37 percent for the game.

In the Alabama game, the Tigers trailed briefly by a point in the very early going, led by 29-20 at the intermission and then built up the 14-point lead which, in a sense, almost proved their downfall. Ahead by that much, they were unable to control their semistall, committing several turnovers and failing to take the good shot. The losers steadily closed the gap in the final seven minutes, aided by cold Tiger foul shooting, which during one stretch converted but a single shot on three successive one-and-one opportunities.

In contrast to Alabama, Maryland managed to stay just enough ahead of the overmatched Princetonians to control the outcome. From their four-point half-time lead, the Terrs moved out to a 12 the Terps moved out to a 12point advantage, only to see their pesky opponents narrow their deficit to 53-48 with 2:23 to go. A series of foul shots, including one for a technical against Pete Carril, then put the verdict safely away for Maryland.

Armond Hill and sophomore Frank Sowinski had the best back-to-back games, with respective scoring of 20-10-30 and 12-19-31. Hill had a spectacular night in the Alabama victory, but tailed off against Maryland after having played three outstanding games in the holiday tournaments.

Mickey Steurer put in his best performance of the season with 11 points against Alabama and the fine floor play of which he is capable. Barnes Hauptfuhrer was held to 4 and fouled out against Alabama, but hit for 14 in the Maryland loss.

Maryland loss.

Seton Hall, the fourth team in the tournament, was thoroughly outclassed. The Pirates lost by close to 40 points on the first night to Maryland and in the consolation round to Alabama, giving up a total of 204 in the giving up a total of 204 in the two defeats.

Rangers Draft Koch

Randy Koch, a former Princeton resident who learned his hockey in the Pee-Wee League here, is the first pick of the New York Rangers in the amateur draft. He is currently a forward for the University of Vermont, which will be in the Yale Tournament with Prin-

ceton this weekend.
Son of Mr. and Mrs.
William Koch (his father played football for Princeton), Randy played hockey at both Lawren. ceville and Andover before entering Vermont. He skated on a line which was instrumental in his team's 6-5 overtime victory against Penn in the ECAC Hollday Tournament last weekend at Madison Square Garden.

Saturday night at 8 PDS will meet Peddie for the second time, having won the first meeting between the two 57-52, in the Imals of the Peddie Tournament. The following Wednesday afternoon at 3:30, the Panthers must face Hun again. The Red and Black will be thirsting for revenge after the three-point PDS win in the Hightstown Tournament

PDS, however, will still have plenty of incentive of its own when it plays the Raiders. The win in the Hightstown Tournament was the first in three tries against Hun, and over all the Blue and White has beaten its crosstown rival only once in six previous

Coach Alan Taback felt his team was lucky to come away with the victory, feeling that Hun's switching defense stymied the PDS offense. Turnovers and missed shots plagued both teams.

PDS got off to a live-point lead in the first period, but led by only one at the intermission. It pulled away to an eight point advantage, 36-28 late in the third stanza, but Martin and Randy Melville both got into foul trouble, and Hun staged a comeback.

whistled against Brown, came right back to tie it at 48 with 71 seconds remaining. Then came the decisive play.

In attempting a driving, lunging layup, Shawn Craig got off the shot a fraction of a second before he barrelled into the Eagles' Jeff Schermerhorn. One referee signalled a charging foul against Craig; the other ruled that Schermerhorn had "lowbridged" Craig by knocking his feet out from under him - a flagrant violation.

The latter ruling prevailed and Craig was awarded the basket and two free throws.

Player after PHS won the eight-feam Kennedy Memorial Basketball Tournament in Frenchtown. He connected for a gamehigh 19 points in the title game--his fourth in a row in double figures.

He made both to put his team ahead by four.

Eagle coach Jack Kelly said after the game that PHS "had to use everything they had to beat us. We took away their big man."

lt was a tough game, one Trotman said that, a year ago, his team would have lost.

"Our kids really hung in there. They didn't lose their

was the refusal of PHS to fall apart, to play as a unit, to look for one another and not just one man, that made the victory so sweet for Trotman, who stresses and insists on team play. The added team play. The added maturity gained over the holiday weekend may have been Trotman's best Christmas present of all.

HUN IS LOSER

In Championship Game. The Hun School basketball team was almost the equal of the unbeaten, veteran Princeton Day School team after the two had squared off last week for the third year in a row in the championship game of the 17th annual Hightstown Christmas Invitational Tournament, Almost...but not quite, as the Panthers won their ninth in a row without a loss, 45-42, when they managed to nullify Hun's high-scoring Ron Payton in the final — and decisive — two

Against PDS, Huntrailed by five after the first quarter and by three after three periods. But consecutive baskets by Payton, Terry McEwen and Tom Dillione put Hun ahead, 42-41, with 2:10 left. Hun was unable to score after that, however, while PDS added a clutch basket by its ace, Randy Melville, and two free throws on a 1-and-1 by Mike Walters. Payton led all scorers with t5. Dillione added 10, Nick Brady 8 and McEwen

In the opener, Dillione and Brady each hit for 15 and Payton and McEwen combined for 22 more, as Hun outscored Lawrence, 20-12, in the third period to erase a onepoint Cardinal half-time lead.

"We were sluggish," said Hun coach Dave Leete after the game. "We didn't get going until the third quarter when we started to shoot better."

Both teams made 24 shots from the floor but Hun outscored the losers, 13 to 1, from the foul line. Hun finished the first month of play with a 5-2

HIGHLIGHT OF THE WEEK

EXCITING TO LIVE IN!

Over the bridge and through the rocks and up in the trees we go! Yet for all its tree house feeling, this intriguing contemporary is solidly anchored into its rockstrewn hillside and practically planned for all age living. The entrance hall opens on a really lantastic living room, 16 x 25, with handsome raised fireplace, built-in planter and oversized sofas, and decorative divider - a combination stereo cabinet, warming counter and china cupboard - separating it from the two-story, glass walled dining area. Equally marvelous in its own way is the super kitchen-playroom-breakfast room. Four good bedrooms, 21/2 baths, laundry room plus downstairs study and upstairs sitting room - either of which could double as bedrooms - round out the highly liveable living space.

Practical assets include: central air, burglar-fire alarm, central vacuum, dumb waiter up from underhouse carport, excellent condition, fenced child-dog area NO grounds maintenance! Light abounds throughout from many interestingly designed windows, skylights and window walls, through the house is hidden away in a beautiful 5 acre Princeton Township setting To top it off, a sunny roof deck is a natural for a "penthouse" \$180,000 garden! More land available

Nice 4 bedroom, 21/2 bath Colonial in near-new condition. Living room with fireplace; dining room, eat-in kitchen with self-cleaning oven and dishwasher, carpeting and draperies; central air. Shouldn't last long on the market at \$63,500

A COMPLETE REAL ESTATE ORGANIZATION

Beginning a brief and informal history of real estate in our area.

A LOOK AT THE PAST

In 1664, the Duke of York made a grant of the territory lying between Hudson and Delaware Rivers to two favorite courtiers, Lord John Berkeley and Sir George Carteret. While a Royalist leader in the Puritan Civil War, Carteret had made a defense of the Isle of Jersey in the English Channel years earlier, and the grant was named Nova Caesarea (Caesarea being the Latin name of the Isle of Jersey).

meantime. the Colonel James Nicoll, who had been sent on expedition by the Duke of York, had made grants to settlers in the territory. The result was dispute which would last for 100 years. The main effect seems to have been the annexation of Staten Island to New York, contrary to leaving it to more natural boundary lines.

Berkeley and Carteret split the territory into the provinces of East Jersey and West Jersey and set up a number of liberal policies designed to attract immigration. In general terms, the line ran from Little Egg Harbor to the Delaware Water Gap, with about 4,600 square miles in West Jersey and 3,000 in East Jersey

conditioning, and 2-car garage. In West Windsor \$78,000.
